BS | CHM

Indian Institute of Technology, Kanpur

2022-2026

SKILLS AND TOOLS

Data and Automation: Python, SQL, Streamlit, GitHub, Web Scraping, API Integration, VS Code, Excel & Sheets

Product and Growth: AI Adoption, Antigravity IDE & CLI, Conventional Frameworks, 1st Principles Thinking

WORK EXPERIENCE

Trainee Manager | BlankLab India

May'26 - Jul'26

- Directed **8+ concurrent marketing campaigns** & acquired **20+ new customers**, with **LTV** of **INR 50K** each
- Drove **+15% growth in weekly sales** and chaired **2 weekly meetings** with a team of **10+** sales executives
- Screened **5+ candidates** for sales executive role & advised the **HR department** & managers on hiring decisions
- Recorded **5hr+ of training content** for the sales executives covering presentations and campaign details

Accounts Analytics Intern | Nsquare Networks Pvt. Ltd.

Apr'24 - Jul'24

- Oversaw the invoice database of **400+** international telecom firms with business of **\$600,000+ annually**
- Authenticated billing rates & reconciled **1,000+ invoices** with internal database records, flagging discrepancies
- Architected and deployed an **automated pipeline** to transition from manual **MS Excel** processes into a programmatic solution, the [Automated-SOA-Reconciliation script](#)

PROJECTS

[GTM Intelligence & CRM Automation Engine](#) | Freelance Client Project

Jul'26 - Ongoing

- Built an automated GTM data engine processing **8,000+** records across **5,500+** companies, transforming raw data into a structured, live **5-tab Google Sheets CRM**
- Engineered a batched AI role classifier chunking **60 titles/call** with disk caching, slashing **LLM API costs by 70%** and segmenting **4,875 high-intent personas** (2,626 Sales & 2,249 C-Level/Founders)
- Developed a fuzzy account suppression module eliminating existing clients from raw directories, isolating **5,000+ net-new leads** and saving **15+ hours/week** in manual prospecting
- Deployed a full-stack web dashboard with drag and drop ingestion, cutting campaign preparation time from days to minutes for non-technical sales operators

[Smart EV Battery Swapping Ecosystem](#) | Prof. Amar Behra | IIT Kanpur

Mar'25 - Apr'25

- Formulated a **Battery-as-a-Service** model to address India's projected 3200-kiloton lithium shortage, reducing EV charging times from **~6 hrs to 2 min**
- Executed end-to-end product design by bridging hardware (3D modelling modular stations in **CAD/Fusion360**) and software (prototyping complete app UI)
- Developed a comprehensive **15-year implementation roadmap** (2025-2040) targeting a sector with a **27% global CAGR**, projecting a 22% reduction in CO2 emissions through circular economy principles

LEADERSHIP

Team Leader, IIT Kanpur | Photography Cup | Inter IIT Cultural Meet 8.0

- Led a cross functional team of **50+ members** to secure **3 gold medals** and lift the overall championship trophy

Coordinator | Photography Club, IIT Kanpur

2024 - 2025

- Spearheaded a **3-tier team of 40+ individuals**, managing resources worth **INR 8 lakhs** to promote photography
- Conceptualized & executed 'ENLIGHTEN' achieving record **250+** participants & **35%** audience expansion
- Generated revenue of **INR 15k+** boosting the club's annual budget by **30%** and enabling expanded activities
- Achieved **150% YoY** growth in the club's reach and **60%** growth in engagement by organising **20+** workshops
- Won **gold medal in IICM 7.0** in Street Photography at IIT Patna; submitting 2/6 winning entries shot personally

EXTRA CURRICULAR ACHIEVEMENTS

- Competitive Exams:** Cleared the highly selective **150th NDA/NA Exam (UPSC)** and **UCEED'22** (IIT Bombay)
- NCC JD:** Represented the UK NCC Directorate at the **TSC Nationals' Camp** as a part of junior shooting team
- Marksmanship:** Awarded '**Best Shooter of Uttarakhand**' for exceptional performance in 3P rifle shooting camps
- Community Service:** Mentored underprivileged children of classes 4th and 5th in Mathematics and Science
